The American Legion

The American Legion is the largest veteran's organization in the World, with a membership of more than 2.4 million veterans in The United States, District of Columbia and seven foreign countries.

Members of the American Legion include those currently serving in the armed forces of the United States and those men and women who were honorably discharged that served their country on active duty in the Armed Forces of the United States during World I, World War II, Korea, Vietnam, Lebanon, Granada, Panama and Persian Gulf Wars and other conflicts.

The American Legion was founded and organized in 1919. Since that time, The American Legion has touched virtually every facet of American life, fulfilling its main objectives of service to the community, state and nation.

The American Legion has also, for many years, conducted programs that have been designed to benefit the youths of our nation. Some of these programs are:

High School Oratorical Contest	American Legion Baseball
American Legion Boys State and Boys Nation	American Education Week
Eagle Scout Scholarships	Flag Education

American Legion Code of Sportsmanship

I will: **Keep the rules.**
 Keep faith with my teammates.
 Keep my temper.
 Keep myself fit.
 Keep a stout heart in defeat.
 Keep my pride under in victory
 Keep a sound soul, a clean mind and a healthy body.

*We do what neighbors have always done for one another:
We help you through your most difficult times.*

*The idea of losing a loved one is something most would rather not think about. And yet, more and more people are finding value in planning with us. One reason is all the exclusive benefits we can offer through the Dignity Memorial® network, such as our Bereavement Travel Program which helps family and friends arrange flights and travel accommodations. But what people tell us they most appreciate is the way planning freed them to celebrate the life of one whom they will always remember.
With respect and with dignity.*
